Net Content: 5 Gallons (18.92 liters)

Density: 8.42 lbs/US gal @ 68° F

Net Weight: 42.2 lbs (19 Kg)

KEEP OUT OF REACH OF CHILDREN

WARNING

Shake well before using. Read entire label before use.

GENERAL INFORMATION: Convey™ is a soil-applied liquid nutrient. Convey is designed to address zinc deficiency.

DIRECTIONS FOR USE: Convey should be used based on soil and tissue analyses in accordance with the recommendation of a qualified person or institution such as a certified crop consultant, agronomist, or a university crop extension publication.

General application rate is 7 oz/acre.

COMPATIBILITY: Tank mix compatibility is impacted by water quality which may vary by location. When mixing, always ensure adequate dilution in the spray tank before adding Convey. A standard jar test is recommended prior to mixing with fertilizers or pesticides.

STORAGE AND DISPOSAL: Product is stable, non-flammable and non-explosive. **DO NOT FREEZE.** If spillage occurs, soak up with an inert substance. Dispose of this product in accordance with federal/state/county regulations. Store this product in a tightly closed original container in a well-ventilated place.

WARNING: This product contains Zinc and should only be used as recommended. It may prove harmful when used incorrectly.

WARRANTY AND CONDITIONS OF SALE: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

KEEP OUT OF REACH OF CHILDREN

WARNING: Harmful if swallowed. Avoid contact with skin, eyes or clothing.

FIRST AID:

If in eye: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Shake well before using.
Read entire label before use.
