Shake well before using. Read entire label before use.

LASER™

KB

GENERAL INFORMATION: Laser™ KB is a liquid fertilizer designed for use in the promotion of new growth.

DIRECTIONS FOR USE: Laser KB should be used based on soil and tissue analyses in accordance with the recommendation of a qualified person or institution such as a certified crop consultant, agronomist, or university crop extension publication.

General application rate is 1-3 quart/acre.

COMPATIBILITY: Tank mix compatibility is impacted by water quality which may vary by location. **DO NOT MIX** Laser KB in a concentrated form with other fertilizers or pesticides. When mixing, always ensure adequate dilution in the spray tank before adding Laser KB. A standard jar test is recommended prior to mixing with other fertilizers or pesticides.

WARNING: This fertilizer contains Boron and should only be used as recommended. It may prove harmful when misused. May damage fertility or the unborn child.

STORAGE AND DISPOSAL: Product is stable, non-flammable and non-explosive. **DO NOT FREEZE.** If spillage occurs, soak up with an inert substance. Dispose of this product in accordance with federal/state/county regulations. Store this product in tightly closed original container in a well-ventilated place.

WARRANTY AND CONDITIONS OF SALE: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
