

Convey™ PrimeX

GENERAL INFORMATION: Convey PrimeX is designed for application directly to the seed. This product replaces the need for talc and graphite. Convey PrimeX is designed to address nutrient deficiencies in various crops.

DIRECTIONS FOR USE: Convey PrimeX may be applied directly to seeds in planter box, seed box or seed tender. Applications should be made to ensure thorough seed coverage by applying in layers and gently stirring to ensure uniform coverage. Dry powder applicator meters may also be used to evenly apply product on seed. Application guidelines are listed in the adjacent table. Shake well before use. Be sure lid is secure before shaking.

See table below for supplementary application rates:

CROP	Application Rate	
	(grams/100kg of seed)	(grams/100lbs of seed)
Corn	375	170
Soybeans & legumes	187.5	85
Wheat and all other small grains	62.5	28
Cotton and grain sorghum	625	283.5
All other crops	250	113
Target use rate	105g/ha	42.5g/ac

HANDLING: Product is stable, non-flammable and non-explosive. DO NOT APPLY NEAR WATER. If spillage occurs, dispose of this product in accordance with federal/provincial/municipal regulations.

CAUTION: This fertilizer contains Boron, Manganese, Iron, Zinc and Molybdenum and should be used only as recommended. It may prove harmful when misused. May damage fertility or the unborn child.

WARRANTY AND CONDITIONS OF SALE: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. No other warranty is made, either expressed or implied. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition. Information about this product can be obtained by writing to the manufacturer listed below. Information regarding the contents and level of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>.

DANGER: Causes serious eye irritation. Harmful in contact with skin and if inhaled. Causes damage to organs through prolonged or repeated exposure. May cause cancer.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use only outdoors or in a well ventilated area. Do not breathe dust. Wear protective gloves/clothing and eye/face protection. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. **First Aid:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. If on skin: Wash with plenty of water. Take off contaminated clothing and wash it before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. If exposed or concerned, get medical attention.

GUARANTEED MINIMUM ANALYSIS

Zinc (Zn) actual	3.0%
Iron (Fe) actual	1.5%
Manganese (Mn) actual	1.5%
Molybdenum (Mo) actual	0.5%
Boron (B) actual	0.25%

Also contains non-plant food ingredient 5% Humic Acids derived from Leonardite. 55% graphite and functionalized graphite blend.

ACTIVE INGREDIENTS DERIVED FROM REGISTERED AND EXEMPT MATERIALS

CAUTION:
Keep Out of Reach of Children
